

Laverstoke and Freefolk PC Windfarm Meeting Minutes 22nd Feb 2015

1. **Apologies for Absence:** Charlie Seligman, Nixie Graham, Richard Waters
In attendance: Bob Hough, Clare Albert, Jim Marsh
2. Appeal Ref: APP/H1705/W/14/3001603: Land at Bullington Cross, Construction of 4 wind turbines up to 126.5m high as part of a 14 turbine wind farm:
Parish Councillors initially discussed the windfarm plan and the previous objection letters sent by the PC including the 5 key points made. The discussion moved to the feedback received from the Parish in Nov 2012 that had given the PC a mandate to object.
It was felt important to re-gauge the opinion of the parish in order to inform the decision on next step. **Action:** Parish clerk to include survey in next newsletter. Meet for further consideration by Parish council of Appeal. Decide whether to comment or modify/withdraw previous representation.

Date of next meeting: 4th March 2015 at 7.30pm at Lady Rose Hall
